Department of Mechanical Engineering

### Industrial Visit at Automotive Corporation of Goa Limited (ACGL)

The department of Mechanical Engineering organized Industrial Visit to Automotive Corporation of Goa Limited (ACGL), Sattari, Goa; on 4<sup>th</sup> of March 2017 for B.E Mechanical Engineering students. The visit was organized with the support and guidance from **Dr. Kaushal Prasad** and **Dr. Milind Kirkire**, Head, Mechanical Engineering Department. The entire visit was successfully planned and coordinated by **Prof. Mahadev Naik** and **Prof Priyanka Tupe**. Total 34 students of B.E. Mechanical along with 2 faculty members visited ACGL. Along with the staff members, students of B.E Mechanical specially **Mr. Keyur Rege** and **Mr. Rajat Prabhu** took the efforts and initiative under the continuous guidance of **Prof. M L Naik**. Various aspects of vehicle body engineering along with different processes carried were observed. Visit was very informative and gave good learning experience to students. The department is extremely thankful to **Mr. J C Natekar** (Sr.Manager, ACGL, Goa) for guiding the students throughout the visit and **Mr.Uday Rege** (Regional Manager GIDC, Bicholim) for helping to coordinate the visit.
