## Industrial Training on 'Thermal Power Generation'

**JSW Energy Centre for Excellence (JSWECE)** organized **06 days Industrial Training Programme on Thermal Power Generation at JSW, Bellary, Karnataka** from 19<sup>th</sup> June to 24<sup>th</sup> June, 2017 for B.E Mechanical Engineering students. Twenty five students from FAMT participated in the training programme with prior permission of Dr. Kaushal Prasad (Principal, FAMT) and Dr. Milind Kirkire (HOD, Mechanical Engineering). All the necessary arrangements were made by Prof. M. L. Naik, Prof. P. B. Horambe and Prof. P. S. Tupe for smooth execution of the same. The students of B.E Mechanical especially Mr. Omkar Pol took initiative and put in whole hearted efforts to execute the programme smoothly.

During this training program, the students were exposed to various topics like - Boiler Fundamentals & Auxiliaries, Principles of Steam Generation, Various parts and arrangements, Steam Turbine & Auxiliaries, Electrical Generator & Electrical Systems and plant visit which will be helpful for them in future.

The department is extremely thankful to Officials of JSW Energy Centre for Excellence (JSWECE) for excellent guidance and cooperation throughout the training.
