

Finolex Academy of Management & Technology, Ratnagiri

Mechanical Engineering Department

Two Days Workshop on 'Compressed Air Network, Maintenance of Pumps and Compressors'

The department of Mechanical Engineering organized two days Workshop on '**Compressed Air Network, Maintenance of Pumps and Compressors**' in association with **Finolex Industries Limited, Ratnagiri** for final year Mechanical Engineering students.

Dr. M S Kirkire (HoD, Mechanical Engineering) addressing the participants, Mr. Joshi, Mr. Moghe and Mr. Pandit of FIL, Ratnagiri on the dais (from L to R)

The workshop aimed at bridging the gap between curriculum and the industry practices in the field of Mechanical Utility System.

On day one, the technical sessions were conducted by **Mr. Chetan Moghe, Mr. Milind Pandit and Mr. Chandrashekhar Joshi** of **Finolex Industries Limited, Ratnagiri** on Reciprocating and Centrifugal pumps and reciprocating Compressors.

On day two, a visit to **Finolex Industries Limited, Ratnagiri** was arranged where the students got practical exposure to different types of pumps and compressors. This workshop was

organized with guidance from **Dr. Kaushal Prasad**, **Dr. M. S. Kirkire** and with whole hearted support from **Mr. S S Math** (Managing Director, **FIL, Ratnagiri**) and **Mr. S S Mulye** (**Vice President, FIL, Ratnagiri**). Total 103 students participated in this workshop which was organized and coordinated by **Prof. V. S. Bagade**, **Prof. Hemant V. Chavan**, **Prof. Shodhan U Mayekar** and **Prof. Deep S Bandivadekar**.
