Plantation Programme

FAMT Nature Club organized a **Tree Plantation Programme** on 4 July, 2017 on campus in support of the State Government of Maharashtra's programme to plant 50 Crore plants in next three years to tackle increasing global warming. The government has also decided to establish "Maharashtra Harit Sena" (Green Army) for the tree plantation program. Dr. Kaushal Prasad, Principal; Dr S.B. Kulkarni, Dean Academics; Prof. U. k. Samant, Nature Club Coordinator and Nature Club members took active participation in the programme.
