

Finolex Academy of Management & Technology, Ratnagiri

Department of Electronics and Telecommunication Engineering &

Department of Information Technology

One day workshop on

“Computer Hardware and Networking”

One day workshop on “Computer Hardware and Networking” was conducted in Finolex Academy of Management and Technology, Ratnagiri, jointly by Department of Electronics & Telecommunication Engineering and Information Technology on 28th June, 2018. The workshop was organized by Dr. Vinayak Bharadi (HOD IT) and Dr. S. V. Chougule (HOD, EXTC).

It gave the fundamental knowledge about computer hardware, Operating System installation, fault diagnosis and networking. The faculty and lab assistants of different departments of the institute attended the workshop.

Dr. S. V. Chougule (HoD, E&TC)
giving brief idea regarding workshop

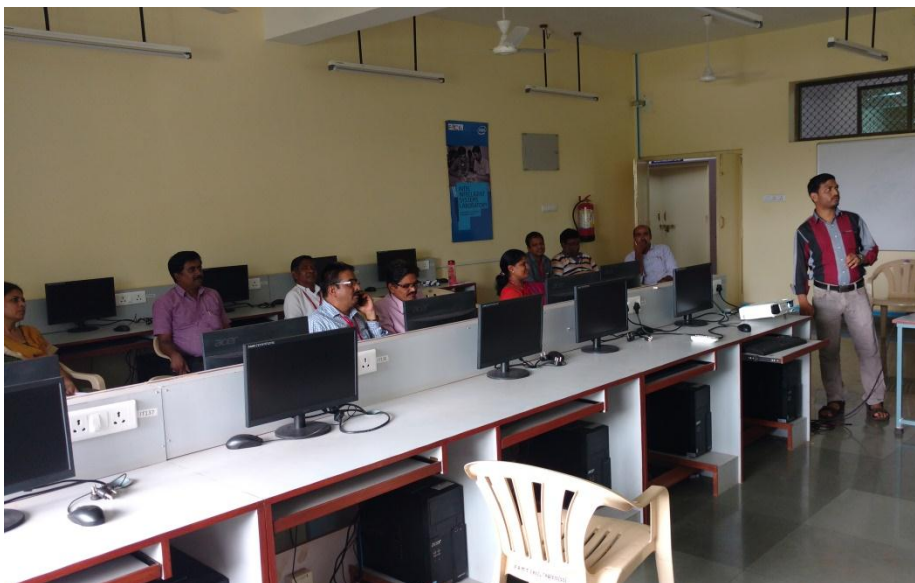

Dr. Kaushal Prasad (Principal)
expressing his views

The first session was conducted by Dr. Vinayak Bharadi, HoD IT, on introduction to Computer Hardware. He explained PC architecture and hardware components such as motherboard, RAM, Hard drive, and CPU. He also conducted hands on session based on the theoretical part.
