

Finolex Academy of Management & Technology, Ratnagiri Department of Information Technology

A Workshop on Technical Paper Presentation

One day workshop on “Technical Paper Presentation” was organized by the department of Information Technology on 3rd October, 2018. Total 71 students from BE IT attended the same. Dr. Vinayak Bharadi (HOD, IT department) conducted the workshop and explained importance of technical (research) papers in the engineering field. He also gave a brief explanation regarding how to write a technical paper and how to publish them in reputed journals and conferences. He also discussed minute detail in writing a technical research paper and the issue of plagiarism. The students from BE IT attended the workshop and requested sir to conduct the same for further batches.

Faculty Co-ordinator: Prof. Deven Ketkar

Total number of student's participated-71
