

Finolex Academy of Management & Technology, Ratnagiri

Department of Electronics & Telecommunication Engineering

A SEMINAR

ON

PRESENT SCENARIO AND FUTURE TRENDS IN RADIO COMMUNICATION

Department of Electronics and Telecommunication, FAMT, Ratnagiri had organized a seminar on 'PRESENT SCENARIO AND FUTURE TRENDS IN RADIO COMMUNICATION' on 13th October, 2015. The seminar was organized for the benefit of third and final year E & TC students with the initiative by Prof. G. S. Kulkarni, HOD E & TC.

The seminar began with inaugural speech by Prof. G. S. Kulkarni, HOD E & TC followed by brief introduction about eminent speaker. A talk was delivered by **Mr. S.Y. Khade (Engg. Head, All India Radio, Ratnagiri)**. E & TC faculty members along with students from T. E. and B.E. E & TC, were benefited by attending this seminar.

Not only Mr. Khade touched all the key technical aspects of radio communication, but also highlighted the practical applications of the same in a simple language. It helped all the participants to deeply understand the concepts as well as their practical importance. He also encouraged the students to view and learn the technical aspects from the eyes of an engineer so that they will always remember the fundamentals throughout the life.

The student and faculty participants curiously asked variety of doubts during question-answer session. Finally, the seminar ended with vote of thanks given by Prof. V.A. Patil to **Mr. S.Y. Khade** for dedicating his time in spite of his busy schedule.
