

Finolex Academy of Management & Technology, Ratnagiri

Department of Electrical Engineering

“ 4 Days workshop on Basics of Programmable Logic Controllers (PLC) ”

A four day workshop on Basics of Programmable Logic Controllers is being conducted by Prof. P. J. Kadam and Prof. Leslie Fernandes from 2nd January 2016. The workshop provides an opportunity to the students to understand the basics of PLC and have hands-on practical sessions which are an industrial pre-requisite for aspiring electrical engineers. Total 23 students have participated in the workshop.
