

**Finolex Academy of Management and Technology, Ratnagiri
Department of Electrical Engineering**

Date: - 6th Dec 2016

Notice

This is to inform to the students of SE, TE and BE Electrical Engineering, that those who are willing to go for winter Industrial training during semester break, should contact Prof. Leslie Fernandes (Training and Placement officer, Electrical Engg. Dept.)

It has been widely reported that university graduates need to be better prepared for the workplace. Industrial Training plays a vital role in preparing the students for a professional career as it equips students with practical and required skills which help them to meet demands of the industry along with work ethics.

So to make it easier for students to undergo training, TPO cell of the department will provide supporting documents (like request letter) along with list of nearby industries.
