Farewell to BE CSE-AIML Students

The Association of Computer Science and Engineering Students (ACSES) organized a Farewell Program for the first graduating batch of BE CSE (AI & ML) students on the 30th April 2024, from 12.30 pm to 05.30 pm. The farewell meant to celebrate their four-year journey in the department, share and express emotions, bid a heartwarming farewell to them and give them best wishes for their future endeavours. 28 BE students and all SE and TE students and faculty participated in the farewell ceremony.

The farewell ceremony began with an inspirational and guidance speech by our principal Dr. Kaushal Prasad, followed by BE students sharing their emotional moments spent with their classmates, juniors and teachers. All the faculty members shared their experiences of BE students during their three-year stay in the department. Mr. Zohaib Hamdule was felicitated by the principal sir for his commendable achievement in GATE 2024 exam. The farewell ceremony included a video presentation, dance performances, short funny games, etc. where everyone interacted with each other making memories of a lifetime. The ceremony ended with refreshments and giving best wishes to the outgoing students. The farewell ceremony was organized by ACSES committee students under the guidance of Prof. Akshay Shetye, Faculty coordinator of ACSES and the Head, Prof. Vrishali V. Nimbalkar.
