### **FH2024 GATE Achievement**

Three students of Computer Science and Engineering (AI & ML) of FAMT appeared for the GATE2024 examination in Computer Science and Information Technology (CS) and Data Science and Artificial Intelligence (DA). GATE is a prestigious exam assessing engineering and science fundamentals, aiding in admissions to top institutes and recruitment in PSUs. It qualifies candidates for research fellowships like Junior Research Fellowship (JRF), Senior Research Fellowship (SRF) in CSIR Laboratories and Institute of Industrial Engineering (NITIE), central government posts, and doctoral programs in 30 engineering domains.

In the Data Science and Artificial Intelligence (DA) exam **Mr Vansh Anil Gandhi** secured **AIR 189**, a student of TE CSE-AIML, **Mr Zohaib Hamdule** secured **AIR 2041**, a student of BE CSE-AIML and **Mr. Devadatta Mahesh Pokharanakar** secured **AIR 3614**, student of TE CSE-AIML. **Mr. Zohaib Hamdule** had also appeared for Computer Science and Information Technology (CS) in which he secured **AIR 3007**.

Their sincerity and consistency in studies have led to achieving this GATE score. All three students wish to pursue their higher studies after graduation. On behalf of FAMT faculty, staff and students CSE-AIML department wholeheartedly congratulates these three students for their commendable achievement in the GATE 2024 examination and wishes them great success in their future endeavours.
