Seminar on

AI & ML Skill Enhancement Pathways through Microsoft & IBM Certifications

A Seminar on “**AI & ML Skill Enhancement Pathways through Microsoft & IBM Certifications**” was organized for students in collaboration with the Computer Science and Engineering(AI & ML) Department and Information Technology Department, on 05 August 2024. **Mr Manish Singh**, (Manager, Service Sales) from **Inflow Technologies, Pvt., Ltd**, delivered a session for second-year and third-year CSE-AIML students.

The main objective behind organizing this seminar was to provide students with an insight regarding career prospects in the domain of Artificial Intelligence, Machine Learning, and Deep Learning and accordingly how to develop the essential skill set required for it.

This session was attended by 51 CSE-AIML students. The session made students aware of the top five technologies that are in demand currently in the industry. Mr. Manish Singh helped students to learn about AI/ML, career opportunities and the different recruiting companies for AI/ML, the roles and responsibilities associated with various job positions as an AI/ML Engineer, the skillsets required for it and the ways to build these skillsets. He also provided information about various Microsoft AI/ML certifications.

The session was coordinated by Prof. Mrunmayee M. Hatiskar under the guidance of Prof. Vrishali V. Nimbalkar (the Head, CSE-AIML Department) and with the cooperation of Prof. Ashish B. Vartak (IT Department.) and Prof. Vinayak A. Bharadi (the Head, IT Department).
