# Finolex Academy of Management and Technology

## First Year Engineering Department

Subject and Student Details:								
Course Name:				Course Code:			Experiment No.:	
Semester:		Batch:		Roll No.:		Academic year:		
Name of Student:								

Title, Laboratory Objective and Outcome:	
Title:	
LOB No.	Laboratory Objective (LOB):
LO No.	Laboratory Outcome (LO):

Technical Understanding:
Viva Questions :

Experiment Evaluation (Rubrics):			
Sr.	Parameters	Marks Obtained	Max. Marks
1	<b>Performance of Experiment</b> (It is based on observations and students performance on the parameters such as: Arrangement of components, Settings and Circuit connections, Accuracy of Observations and Calculations, Result, Units, etc.)		4
2	<b>Technical Understanding</b> (Result Discussion and Conclusion, Applications listed, and Viva or Any other relevant method) Method used (Please Specify): _____		3
3	<b>Neatness/Presentation (Paper Presentation)</b>		2
4	<b>Timely Submission</b>		1
		<b>Total:</b>	<b>10</b>

Date of Performance (DOP):	
Date of Checking (DOC):	

Signature of Teacher
