5	Additional Projector Purchased	For Presentation requirements during the Lab session	All Classrooms have fixed Projectors, in the lab there was need for a moving projector	As required for demonstration in the lab sessions	Laboratory Experiments Explanation by the faculty members	PO 1,2,3,4, 5, PSO 1, 2
6	All PC RAM Upgraded to 10GB (Except lab 1/1 which is having 8 GB RAM)	For Execution of the Lab programs	RAM Up gradation will enhance the performance of the machine and students will have better experience experimentation sessions in the labs	For all related Lab experimentation sessions	Lab Program execution/demonstration during Lab session	PO 1,2,3,4, 5, PSO 1, 2
7	Lab 1/1 PC Upgrade	20 New Machines in Lab 1/1, Core i5, 8GBDDR4, 512GB HDD	For Execution of the Lab programs	For Programming Experiments	Lab Program execution/demonstration during Lab session	PO 1,2,3,4, 5, PSO 1, 2
8	Lab 2/1 (Project Lab) PC Upgrade	20 New Machines in Lab 2/1, Core i5, 16GBDDR4 , 512GB SSD Machines	PC Up gradation will enhance the performance of the machine and students will have better experience in the labs	For DSHS and Project related Lab experimentation sessions	Research work related to AIML, Lab Experiments of AIML, Data Science Related Lab experimentation	PO 1,2,3,4, 5, PSO 1, 2
9	MATLAB Campus License	MATLAB Campus License, with	To promote research	For Data Science and	For Honors Course as well	PO 1,2,3,4, 5,
