Career Guidance Session on Engineers' Growth in the Core Industry

The **Training and Placement Cell (T&P)** at **Finolex Academy of Management and Technology (FAMT), Ratnagiri**, successfully organized a **Career Guidance Session on Engineers' Growth in the Core Industry** for third and final-year students of **Electrical, Chemical, and Mechanical Engineering**. The session was conducted by **Mr. Mukund Toke** (Chartered Engineer, Registered Valuer – Machinery & Plant, NPTI Trainer, MTech, IIT Kharagpur) on **February 13, 2025**.

The objective of the session was to provide valuable insights into **career opportunities and professional growth in the core industry**. Mr. Mukund Toke shared his expertise on **industry trends, required skill sets, and strategies for career advancement** in core engineering sectors. The session also covered the importance of **certifications, technical knowledge, and hands-on experience** for securing opportunities in reputed industries.

Students actively engaged in the session, gaining **practical knowledge about career pathways** and industry expectations. The interactive nature of the session allowed participants to clarify doubts and seek guidance directly from the expert. The session was well-received, with students appreciating the **valuable career insights and industry exposure** provided.

We extend our gratitude to **Mr. Mukund Toke**, the **departmental faculty members**, and the **T&P team** for their collective efforts in making this event a success.

Principal Dr Kaushal Prasad addressing the gathering at the beginning of the Career Guidance Session on Engineers' Growth in the Core Industry.

Mr. Mukund Toke, Chartered Engineer and Industry Expert, delivering insights on career opportunities in the core industry during the Career Guidance Session
