## **The Chemical Engineering Department Held a Parents' Meet**

The Department of Chemical Engineering organized the Parents Meet of Second Year, Third Year, and Final Year Chemical Engineering on Friday, March 7th, 2025. The meeting was attended by parents, **Dr. N. G. Kanse**, Head of the Department, **Dr. P. A. Giri**, Class Teacher of SE, **Prof. Y. A Landge**, Class Teacher of TE, and **Prof S B Bobde**, Class Teacher of BE, along with all concerned Subject Teachers and Mentors of SE, TE, and BE.

**Dr N. G. Kanse** welcomed the parents and presented the department profile i.e. highlights of the department, faculty and staff, academics, co-curricular and extra-curricular programs conducted/organized, plans of department, training and placement details and alumni association. He also elaborated on the importance of courses available on an online platform like Coursera and Infosys Springboard, among others. He also interacted with parents on various workshops, course enrichments and add-on courses from the placement point of view. He emphasized the importance of parents' involvement in students' academic progress and discussed the department's expectations of parents. The meeting was attended by 08 parents along with students and ended with a vote of thanks by **Dr. P. A. Giri**.
