Training and Placement Cell

Seminar on Higher Education Abroad

The **Training and Placement Cell (T&P)** at **Finolex Academy of Management and Technology (FAMT), Ratnagiri**, successfully organized an **informative Seminar on Higher Education Abroad** for third-year (TE) students of all branches on **February 6, 2025**. **Ms. Rajashree Jadhav, MD, Education Abroad**, conducted the session and provided valuable insights into **international study opportunities, admission procedures, and financial aid options**.

The seminar aimed to help students explore **higher education opportunities at global universities**, understand **application processes**, and learn about **scholarships and funding options**. Ms Rajashree Jadhav shared essential details on **choosing the right university, preparing for standardized tests, and securing scholarships**. She also discussed **real-life experiences of students studying abroad**, providing a practical perspective on the journey.

The session was **highly interactive**, with students actively participating and seeking guidance on **various aspects of studying abroad**. The valuable insights shared by the speaker will help students make informed decisions about their higher education and career aspirations.

We extend our gratitude to **Ms. Rajashree Jadhav**, the **departmental faculty members**, and the **T&P team** for their efforts in making this event a success.
