**Review Meeting on "Outcome Based Education".**

Venue: **EN: 0/5**

Date: 03/03/2025

An Outcome-Based Education (OBE) review session was conducted on **03 March 2025** in **EN 0/5, Department of Electrical Engineering**, by **Prof. Nikhil Kasar**. The session was based on the review of the **NPTEL course on OBE and Pedagogy in Engineering Education**, which Prof. Kasar completed. Key topics covered included **21st-century educational challenges, OBE structure, accreditation, constructive alignment, and the revised NBA manual**.

A total of **12 faculty members** participated, engaging in discussions on enhancing teaching methodologies and aligning the curriculum with accreditation standards.

Special thanks to **Dr. J. J. Mane, HoD**, for his continuous support and guidance, and to **Lab Assistant Mr. Parshuram More** for his assistance in the smooth execution and coordination of the event.
