Department of Electrical Engineering

Departmental Advisory Board (DAB) meeting

Departmental Advisory board meeting was held on 01/03/2025 in hybrid (online and offline) mode. The members of the Departmental Advisory Board (DAB) were from different domains such as industry, academicians, alumni, students and parents.

Prof. M. S. Modak briefly introduced all Departmental Advisory Board (DAB) members. HOD, Electrical Dr J.J.Mane presented information about the department, such as facilities available, rank holders, result analysis and placement details of the department. He also explained about outcome-based education, and steps taken by the department to achieve the same. He also explained implementation of activity based learning in the department.

This was followed by an open discussion among members of DAB. Mr. Rajesh Shirsat congratulated the department for formation of Bureau of Indian standards club. He also suggested organizing events for students, for personality development and communication skills of students. He also emphasized on guidance to students about AI and data science.

Mr. Advait Halbe (alumni representative) emphasized upon developing work ethics of students. He also suggested organizing a seminar on financial planning for students. Mrs. Madhura Athavale asked to make students aware about the power of meditation. Mrs. Sharayu R Dhamapurkar suggested training for teachers for improving their teaching skills. Mr. Parth Dhamapurkar suggested organizing seminars to encourage student's business/creative ideas. Miss Avaneer Athavale suggested more involvement of students in social work and industrial visits.

Prof. M. S. Modak expressed vote of thanks.
