## **Career Counselling Seminar on C-DAC Opportunities**

The IT department successfully organized the “Career Counselling Seminar on C-DAC Opportunities” for BE-IT students on 25th March 2025. The session was conducted by Mr. Nilesh Shirke from C-DAC Mumbai, who provided valuable guidance on career prospects and training programs offered by C-DAC.

The seminar was well-received by all BE IT students and offered deep insights into opportunities in advanced computing.

Event outcomes are as follows:

- **Increased Awareness:** Students gained clear insights into various career paths and post-graduate courses offered by C-DAC, including practical knowledge about entrance exams, course structures, and job placements.
- **Enhanced Career Planning:** The seminar helped students better align their career goals with industry-relevant skills, leading to more informed decisions about their future after graduation.
- **Student Engagement:** Active participation and interaction during the session reflected strong interest, encouraging more students to explore specialized programs in advanced computing and emerging technologies.
