**Parents Meet FH2025**

The Department of Computer Science and Engineering (AI & ML) successfully conducted a Parents Meet on March 7th, 2025, through a hybrid mode, facilitating online and offline participation. The meeting aimed to strengthen communication between faculty and parents of SE, TE, and BE students.

The event commenced with a warm welcome by our student anchor, Mr. Shivam Parab. After the welcome, he introduced all faculty members to the parents. To honour parental support, one representative each from SE, TE, and BE student parents was welcomed with a floral bouquet. Following this, the Head of the Department, Prof. Vrishali Nimbalkar, delivered an insightful presentation highlighting the CSE (AI & ML) Department's activities, students' academic performance, events, and future initiatives.

An interactive session followed, where parents could express their queries and share their thoughts. The online session was managed by Prof. Akshay Shetye, who efficiently handled queries and addressed doubts raised by parents. Simultaneously, for offline attendees, the session was conducted by the HoD Ma'am, along with Prof. Swapnali Teli, Prof. Rahulkumar Tivarekar, and other esteemed faculty members, ensuring effective communication and engagement.

The parents meet provided a valuable platform for parents to understand the academic and extracurricular progress of their wards, while also strengthening the collaboration between faculty and parents in nurturing students' growth. The meeting concluded on a positive note, reinforcing the department's commitment to academic excellence and holistic student development.

A total of 104 parents attended the meet, with 13 parents present offline and 91 parents joining through Google Meet. The coordinators of this parent meeting were Prof. Swapnali R. Teli, Assistant Professor, Computer Science and Engineering (AI & ML), Prof. Akshay N. Shetye, Assistant Professor, Computer Science and Engineering (AI & ML), and Prof. Mrunmayee M. Hatiskar, Assistant Professor, Computer Science and
