## **Farewell 2K25**

The Department of MCA, in collaboration with the Student Association of MCA, organized a Farewell 2k25 event for the second-year MCA (SYMCA) students on 19<sup>th</sup> April 2025. Mr. Deep Arondekar, a student of First Year MCA (FYMCA), gracefully anchored the event, keeping the audience engaged and the event flowing smoothly.

The program commenced with a warm gesture as tokens of love were presented to all MCA Faculty and Staff, acknowledging their guidance and support throughout the academic journey. Special appreciation was given to the Event Coordinators, Mr. Tejas Bhide and Ms. Naziya Khan, both from FYMCA, for their dedicated efforts in organizing the program.

Prof. Tejas V. Joshi, Head of the Department of MCA, addressed the gathering and offered guidance and encouragement to the outgoing students, reflecting on their journey and motivating them for the road ahead.

A variety of engaging activities followed, including musical performances, dance numbers, and fun games specially arranged for the SYMCA students. The event was filled with joy, laughter, and moments of nostalgia. As a token of remembrance, each SYMCA student was presented with a small diary featuring a group photograph, serving as a memento of their time spent together during the course. Adding to the emotional moments of the evening, the outgoing students shared their heartfelt experiences, cherished memories, and their transformative journeys throughout the MCA program. These reflections created a nostalgic atmosphere, celebrating the bond shared by the batch.

The farewell program aimed to express gratitude to the second-year MCA students for their contributions and to celebrate their journey. It also sought to create lasting memories and strengthen the bond between students and faculty through meaningful activities and mementoes. All MCA faculty members gave best wishes to SYMCA students for their future journey.

The program concluded with a vote of thanks delivered by Prof. Harshada Salvi, who appreciated the efforts of all involved and wished the SYMCA students success in their future endeavours. The farewell program was a memorable occasion, marking both an end and a new beginning for the graduating students.
