### **Workshop on “Cyber Security”**

The Department of Computer Science and Engineering (AI&ML) & The Department of Information Technology, Finolex Academy of Management and Technology, Ratnagiri has organized two days workshop on Cyber Security on 10<sup>th</sup> & 11<sup>th</sup> September 2025, for the Last year (BE) students.

A workshop titled "Cyber Security" to provide students with a comprehensive understanding of the fundamental knowledge of cyber security concepts, threats, and vulnerabilities. The session was conducted by industry experts, who shared valuable insights into current trends, required skill sets, job roles, and future prospects in these high-demand domains. The seminar aims to bridge the gap between academic learning and industry expectations, helping students make informed career decisions.

Mr. Yogesh Hudale, Founder, Telenetworks Technologies pvt Ltd, Mumbai, along with Ms. Soni Saroj, Ms. Prachi Mule was the resource persons for this seminar.

The event was effectively coordinated by Prof. Shraddha D. Chavan and Prof. S. Sankareswari, under the valuable encouragement and support of Dr. Yogesh M. Gajmal (HoD, CSE–AIML), Dr. Vinayak Bharadi (HoD, IT), and our Honorable Principal Dr. Kaushal Prasad. The participants actively engaged in the proceedings and expressed their strong interest in being part of such initiatives in the future.
