Science and Engineering (AIML)

6-day Hands-on Workshop on React, Angular, and Node.js

A workshop titled “**6-Day Hands-On Workshop on React, Angular, and Node.js**” was organized by the Department of Information Technology & Computer Science and Engineering (AIML) from **15th September 2025 to 20th September 2025**.

The main objective of the workshop was to equip students with modern frontend technologies (React, Angular) and backend technologies (Node.js, Express.js), covering topics such as component architecture, API development, and full-stack integration.

The event was attended by over 125 students, who actively participated in the workshop. The students were very enthusiastic from the first day to the last day of the workshop. The training sessions were conducted by the team from Giri's TechHub Pvt. Ltd., Pune. The trainers demonstrated the development of scalable web applications.

The workshop was coordinated by Amar R. Palwankar and Mrunmayee Hatiskar under the guidance of Prof. Dr. Vinayak A. Bharadi (Head – IT Department) and Prof. Dr. Yogesh Gajmal (Head – CSE-AIML Department).
