**Department of Electronics and Telecommunication Engineering**

**Association of Students of Electronics and Telecommunication**

**Seminar on**  
**Future Career Opportunities in Engineering and Project Management**

The Department of Electronics and Telecommunication Engineering organized a Seminar for TE & BE students, namely “Future Career Opportunities in Engineering and Project Management”. This seminar was conducted in the Seminar Hall EN-2/5, on 01 October 2025 from 10.30 am to 12.00 pm.

The seminar was organized by the Association of Students of Electronics and Telecommunication Engineering (ASENT). The ASENT faculty I/c, Dr. Girish G. Bhide, worked as faculty coordinator and anchor for the seminar. He introduced the Resource person, Mr. Satish Kane, Program Manager at **Atos, Pune**, a multinational company.

The Resource Person, Mr. Satish Kane, shared his knowledge about the canvas of industry across different domains and the skill sets required to seek a job in those industries. He also explained in detail the importance of Project Management based on his experience in big industries such as Bharti Shipyard and Larsen and Toubro.,

Dr. G.G. Bhide introducing the Resource Person

Resource Person delivering the Seminar
