

NEO GENESIS 2K25 – A Welcome Function of Second-Year Students

A Welcome Function for Second Year Chemical Engineering Students was organized by the Department of Chemical Engineering in collaboration with the Association of Chemical Engineering Students (ACES) on Wednesday, 24 September 2025. This year, the welcome function was organized under the theme of “**Neo-Genesis 2K25**” and was successfully organized by the final-year students.

The department organizes a welcome function for new batches every year. The objective of this function is to extend a warm welcome to the freshers. It was followed by events and initiatives coordinated by **Ms. Shravani Vichare**. Events like Damsharaz, Musical chairs, Fishpond, and Passing the Pass performances and splendid decoration, thus making it a fervent and impressive evening.

The faculty enthusiastically contributed and guided the students for a successful event. In summing up, this event is a platform for mental and physical grooming and recreation. The students organized and participated in the function very professionally and creatively.

The function was graced by the presence of **Dr. Kaushal Prasad, Principal FAMT; Dr. N. G. Kanse, Head of the Department; and Prof. R. K. Marag, ACES Faculty In-Charge**, along with all the department faculty and students. **Dr. N. G. Kanse welcomed the students** and conveyed his best wishes for their journey ahead. **Dr. Kaushal Prasad, in his address, guided the students on the importance of discipline, active participation in departmental activities, and consistent efforts for academic as well as personal growth.**

The event was attended by around **50 students** and concluded with a **vote of thanks by Mr. Nikhil Apte**.
