

Project Exhibition by the IT Department

The Department of Information Technology, Finolex Academy of Management and Technology, Ratnagiri, organized a **Project Exhibition** on 10th October 2025. This Exhibition aims to provide a common platform for **BE and TE IT students** to present their innovative project work and demonstrate their technical skills.

The exhibition will feature:

1. **BE IT Students** showcasing their **IoT Lab Projects**, and
2. **TE IT Students** presenting their **Mini Projects**.

The primary objective of the event is to encourage students to apply their academic knowledge to real-world problems and display their creativity, innovation, and problem-solving abilities. It also promotes teamwork, communication, and presentation skills, contributing to the overall holistic development of students.

Participation in this event was **mandatory** for all BE and TE IT students. The exhibition also served as a valuable learning experience by allowing students to receive constructive feedback from faculty and peers, fostering continuous improvement and professional growth.

The event was coordinated by Prof. Madhura K Zagade under the guidance of Dr. Vinayak A. Bharadi, Professor & Head of the Information Technology Department.

Students presented their Project to the Judges
