

Electrical Engineering Students Visit Wipro Pari Automation Pvt. Ltd., Shirwal MIDC, Satara

The Department of Electrical Engineering organized an Industrial Visit for SE and TE students to Wipro Pari Automation Pvt. Ltd., Shirwal MIDC, Satara. A total of 35 students participated under the coordination of Prof. Nikhil N. Kasar, Faculty Coordinator.

The industrial visit was arranged under the guidance of Dr. Jayant J. Mane, Head of the Department, and Prof. Kishor Bhosale, TPO, with the support of Dr. Kaushal Prasad, Principal, and Management. The visit included a welcome and tea arrangements, an HR presentation, and a shop floor visit covering PLC and SCADA-based systems, Pick and Place robots, hydraulic storage facilities, and Automated Guided Vehicles (AGVs).

The visit was coordinated by Mr. Phanase and Mr. Shreepad Shinde from Wipro Pari Automation. It enhanced Industry–Institute Interaction, provided exposure to Industry 4.0 technologies, and helped bridge the gap between theoretical and practical knowledge. Student feedback was collected during the concluding session.
