

## **TechVenture 2K26**

The Association of Computer Science and Engineering Students (ACSES) organized various technical and non-technical competitions under the TechFest titled “TechVenture 2K26” on 20th and 21st February 2026.

With a formal ceremony, Dr. Kaushal Prasad, Principal, inaugurated the TechFest. In his address, he emphasised the importance of overall personality development for becoming industry-ready. The event saw participation from students and faculty in CSE (AI & ML) and other departments of FAMT along with various colleges. More than 100 students actively participated in different competitions, making the event a grand success.

The technical festival provided a platform for students to showcase their technical expertise while also enhancing teamwork, leadership, and coordination skills. The organizing committee of students gained valuable experience in planning, execution, time management, and teamwork, which contributed to the smooth conduction of the event. The event received an overwhelming response with excellent decoration, strong coordination, and dedicated team effort.

Various technical competitions, such as CodeHunt, Break the Query, Technical Aptitude Test, and a gaming event based on Valorant, were conducted. Along with technical events, non-technical competitions like Futsal and Minute-to-Win-It were organized to encourage sportsmanship and spontaneous participation among students.

Head of Department, Dr. Yogesh Gajmal, appreciated the efforts of ACSES for organizing such a wonderful event. Faculty In-charge of ACSES, Prof. Akshay Shetye, highlighted the importance of adaptability in every situation in his speech.

Mr. Rushikesh Kadam and Ms. Nidhi Shetye were the coordinators of the event. Prof. Akshay Shetye served as the Faculty In-charge of the event. The program was successfully organized through teamwork, dedication, and proper coordination of all committee members.
