Project Exhibition cum Competition**

DFDN: FAMT/CSE-CS/2025-26/21/B/1

The Project Exhibition cum Competition for the academic year 2025–26 was organized on 3rd and 4th of April 2026 as a part of the curriculum to provide a platform for students to showcase their innovative ideas and technical skills. The event aimed to encourage creativity, practical implementation of knowledge, and presentation abilities among students.

A total of 16 groups from SE Computer Science and Engineering (Cyber Security) participated in the competition. The event was conducted on 3rd April 2026 from 11:30 AM to 01:30 PM in EN-1/9, and continued on 4th April 2026 from 10:15 AM onwards in EN-1/15.

The projects were evaluated by a panel of internal judges, including Prof. S. Sankershware and Prof. Amar R. Palwankar from the IT Department, along with Prof. V. V. Nimbalkar and Prof. R. P. Tivarekar from the CSE (CS) Department. Their expertise and valuable feedback greatly contributed to the evaluation process and motivated the students.

Students presented a variety of innovative projects, demonstrating strong technical knowledge, creativity, and problem-solving skills. The competition provided an excellent opportunity for students to apply theoretical concepts in practical scenarios and enhance their presentation abilities.

The event was coordinated by **Prof. Mahesh A. Jadhav**, Assistant Professor, Department of CSE (Cyber Security). **Prof. V. V. Nimbalkar**, HOD, CSE (Cyber Security), provided support for the successful conduct of the competition.
