undertaken by the faculty was also given. The meeting was then open for discussion and suggestions for the improvement and betterment of the Department.

Dr. Bhushan Jadhav provided valuable suggestions regarding the modification and enhancement of the Department Vision, Mission, and PEOs to align them with current industry and academic requirements. He also recommended organizing hackathons, technical workshops, and skill development activities to strengthen students' practical knowledge, innovation capabilities, and industry readiness.

Mr. Dattatray Karambelkar suggested that students should strengthen their fundamentals in core subjects such as Operating Systems and Computer Networks. He also emphasized that students should develop self-confidence, improve their communication skills, and focus on building a strong technical foundation to meet industry expectations effectively.

The suggestions given by Dr. Bhushan Jadhav, Mr. Dattatray Karambelkar, parents, students and faculty were noted. The meeting ended with a vote of thanks. The program was coordinated by Prof. Mahesh A. Jadhav.
