Plantation Programme on World Environment Day

A plantation drive was organized on 5 June 2026 by the Nature Club on World Environment Day at Finolex Academy of Management and Technology Campus. Dr. Kaushal Prasad, Prof. U. K. Samant, Prof. Sachin Gurav, and Mr. Ameya Raykar, along with students and staff, actively participated in the programme.

Saplings were planted in the campus garden. The event aimed to increase green cover and spread awareness about the importance of trees. Everyone promised to take care of the plants by watering them regularly. The program was successful and inspired all participants to protect nature and keep the environment clean.

Prof. U. K. Samant (Faculty In-Charge, Nature Club) successfully organized the event under the guidance of the Principal, Dr. Kaushal Prasad.

Principal-Dr. Kaushal Prasad is planting a sapling.

Students are planting a sapling to grow a greener and healthier future.
