About FINOLEX ACADEMY OF MANAGEMENT AND TECHNOLOGY (FAMT)

Finolex Academy of Management and Technology (FAMT) was established in 1996 to impart quality technical education at affordable cost and contribute to the industrial growth of our nation. The academy is approved by All India Council for Technical Education (AICTE), New Delhi; recognized by Directorate of Technical Education (DTE), Government of Maharashtra, affiliated to University of Mumbai, and accredited with B++ Grade by National Assessment & Accreditation Council (NAAC).

Situated on the picturesque coast of western Maharashtra, FAMT is one of the reputed engineering institutes in the region and state. The academy is known for its quality technical education and has a distinct identity in the

University of Mumbai for its consistently outstanding results. The academy has received appreciation and many awards from various national bodies.

FAMT focuses on nurturing young technical professionals who are immensely dedicated and adept in their field and strongly believe in fair play, perseverance and harmonious development of mind and personality of our students. Accordingly, the academy takes efforts to offer a vibrant academic ambiance. The academy provides various incentives in the form of scholarships and prizes, and co-curricular and extracurricular platforms to foster leadership, team skills, creativity and entrepreneurial values among students.

Vision

The academy aspires to nurture students as leaders who are in tune with global trends, equipped with engineering knowledge and practical skills, to excel in creativity and innovation to play their part in the technological advancement of the nation.

Mission

- To become the foremost seat of advanced technical learning as a centre of excellence in the region.
- To offer state of the art facilities and quality education at affordable cost.
- To inculcate in students the culture of 'Play Hard and Play Fair'.
- To advance sustainable development in the region through opportunities for entrepreneurship and industry-institute interaction.
- To create a generation of young professionals who appreciate in all its aspects the necessity of balance between technological advances and traditional values.

Advantages of FAMT

- Outcome-based Education
- Learner-centric pedagogical methods
- ICT assisted interactive learning
- Centre of Excellence
- National & International Student Chapters
- Employability enhancement activities
- MoU's with industries
- Mentorship programme
