CSE Department Held Har Ghar Tiranga Rally

The Department of Computer Science and Engineering (AI & ML), in association with the National Service Scheme (NSS), organized a Har Ghar Tiranga Rally on 13th August 2026. The rally commenced at 12:30 pm from the campus of Finolex Academy of Management and Technology (FAMT), Ratnagiri, and proceeded towards the University of Mumbai Sub-Centre. A total of 70 students actively participated in the rally.

The rally was flagged off by the respected Principal, Dr. Kaushal Prasad, and the respected Vice Principal, Dr. Milind Yadav, who initiated the rally and motivated the participating students. The activity was coordinated by Prof. U. K. Samant, NSS Coordinator, Prof. Akshay N. Shetye, Faculty Incharge of the Student Association of Computer Science and Engineering (AI & ML), and Prof. Siddhesh Khawale, Department of Computer Science and Engineering (Cyber Security).

The objective of organizing the rally was to promote the spirit of patriotism, national unity, and respect for the National Flag among students and the community. The activity was also aimed at creating awareness about the Har Ghar Tiranga campaign and encouraging people to participate in the campaign by displaying the National Flag with pride. The rally provided students with an opportunity to actively engage in a community-oriented activity and develop a sense of social and civic responsibility.

The rally started from the FAMT campus with students carrying the National Flag and participating enthusiastically in the procession. Students and faculty members proceeded along the designated route towards the University of Mumbai Sub-Centre. Throughout the rally, participants maintained discipline and displayed enthusiasm while spreading the message of patriotism, national unity, and respect for the Tricolour. The presence of the Principal and Vice Principal at the beginning of the rally added encouragement and significance to the event.

The participation of students in the rally provided them with valuable exposure to community engagement, teamwork, coordination, and social responsibility. The joint initiative of the CSE (AI & ML) Department and NSS, with the participation of the CSE (Cyber Security) Department, provided a meaningful platform for students to actively contribute to a national awareness campaign beyond the classroom.

The activity also contributed towards the United Nations Sustainable Development Goals (SDGs). It is particularly aligned with **SDG 16 – Peace, Justice and Strong Institutions**, by promoting responsible citizenship, social cohesion, civic awareness, and respect for national values. The collaborative organization of the rally by the academic departments and NSS also supported **SDG 17 – Partnerships for the Goals, through institutional collaboration and collective participation towards a common social objective.**

The Har Ghar Tiranga Rally from Finolex Academy of Management and Technology to the University of Mumbai Sub-Centre created awareness about the significance of the National Flag and reinforced the values of patriotism, unity, and responsible citizenship among the participants. The activity was successfully conducted under the coordination of Prof. U. K. Samant, Prof. Akshay N. Shetye, and Prof. Siddhesh Khawale, with the support and guidance of the institute administration.
