

Guidance Session on Master Networking: Build Your Career CCNA Certification and Career Awareness Program

A Guidance Session on Master Networking: Build Your Career CCNA Certification and Career Awareness Program was arranged for Technical Support Jobs in the IT Industry for the third and final-year IT students of the Department of Information Technology. The event was held on 23rd September 2026.

Dr. Rashmi Nilesh Malvankar, Assistant Professor at Shah & Anchor Kutchhi Engineering College, Chembur, Mumbai, delivered the session. Dr. Rashmi Malvankar discussed valuable insights into career opportunities, industry expectations, higher education options, skill development, and emerging career paths in the field of Information Technology. Dr. Malvankar also shared the technologies which are required to be prepared by students to get technical support jobs and expertise perspectives on career guidance processes and quality standards in higher education significantly enriched the learning experience. The session was very interactive, and the students were very pleased after the session.

The event was initiated by HOD IT, Dr. Vinayak A. Bharadi and organized by Prof. S. Sankareswari. This session was attended by 80 students of TE IT and BE IT classes. All the students expressed a vivid interest in attending and benefiting from more such events in future.
